# Future is an attitude

The future represents unlimited potential. It presents us with opportunities to transform our experiences. At Audi, it's all about staying ahead of the curve with a futuristic vision and intelligent technology. Because for us, future is an attitude.

# The Audi Q3

The Audi Q3 is a perfect fit for a young lifestyle. It is powerful and agile. Efficient and expressive. Compact and yet, spacious. The Audi Q3 is a car with all-round talents. Ideal for city driving as well as adventures on the open road.

# Designed to exude sportiness

The Audi Q3 lives it up with you. It is always ready to move. Powered by an efficient and dynamic 2.0 L TFSI quattro engine, it generates 190 hp of power at 320 Nm of torque with an acceleration of 7.3s at top speeds of 222 km/h.

# Performance

Power (hp)  
**190**

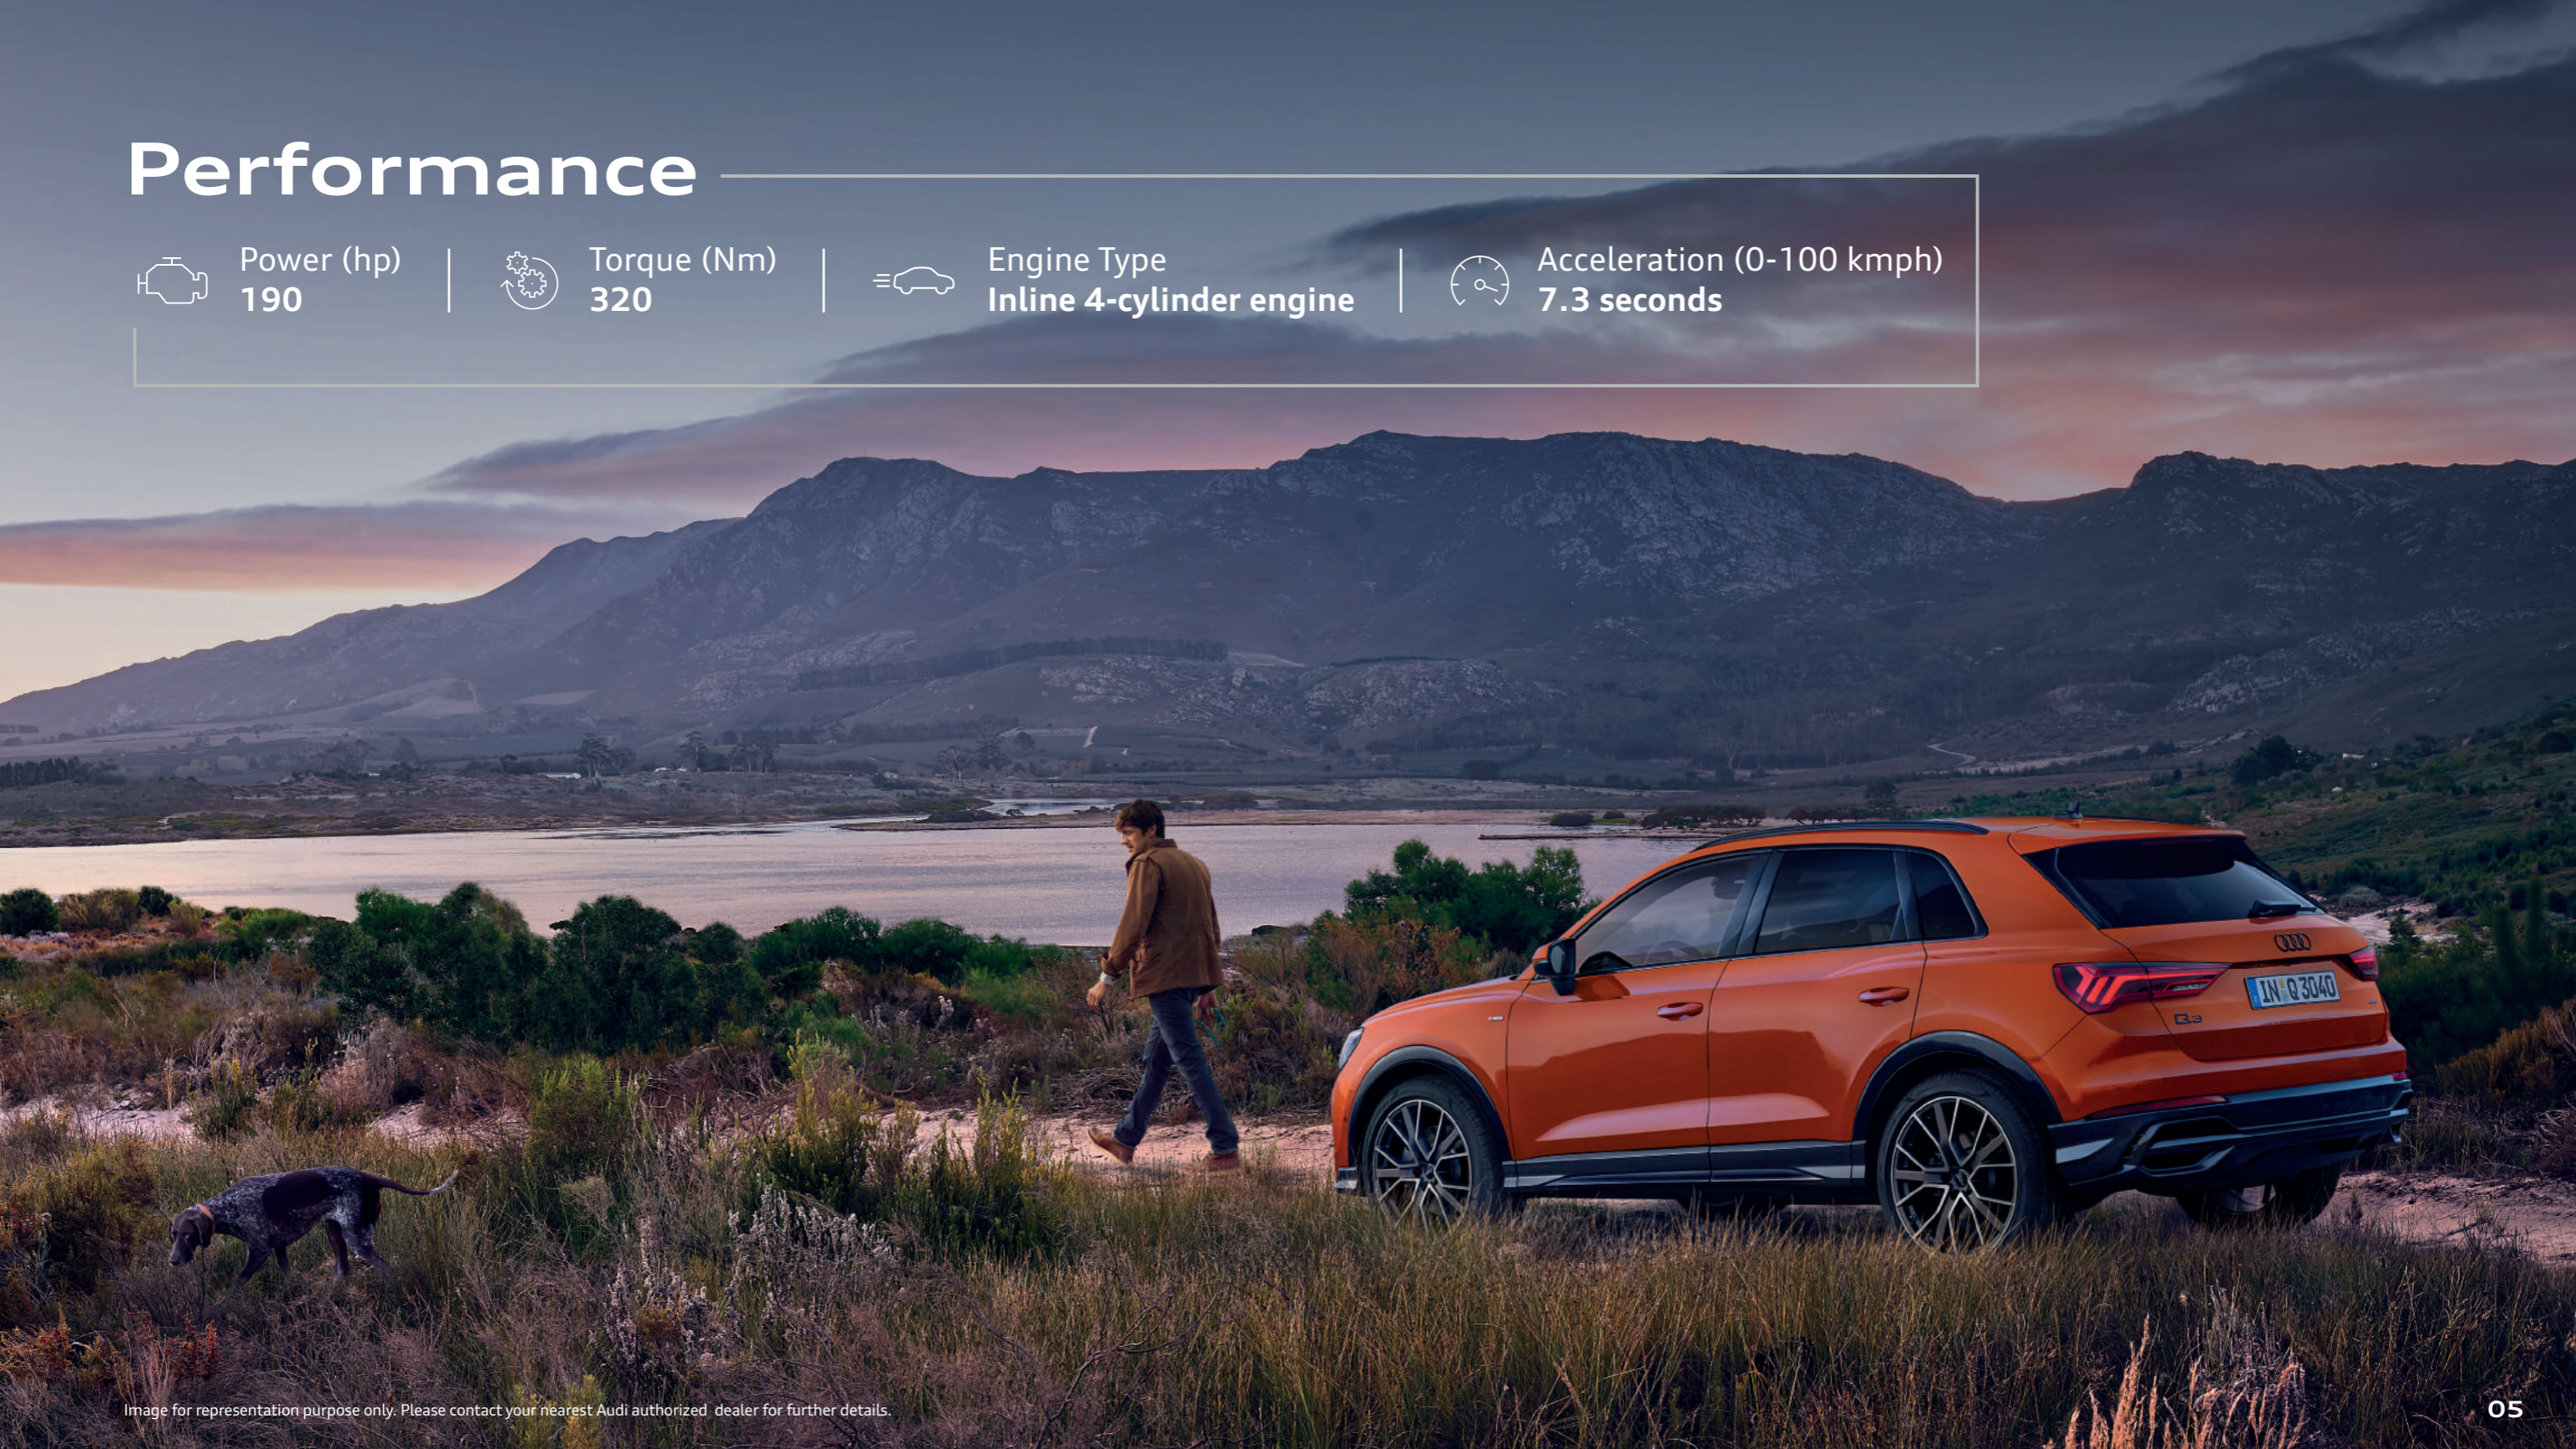

Torque (Nm)  
**320**

Engine Type  
**Inline 4-cylinder engine**

Acceleration (0-100 kmph)  
**7.3 seconds**

# Performance features

## quattro

Experience unmatched grip, optimized acceleration, and exceptional handling with Audi's quattro all-wheel drive technology.

## Audi drive select

Take on the city roads or the open roads with the confidence of a comfortable drive, always. Thanks to the Audi Drive Select that adjusts the engine, transmission, and steering as per your driving preferences.

# Flaunt your distinct style

The athletic silhouette of the Audi Q3 is well-complemented by a large single frame grille with vertical struts. The Q3's bold stance is further emphasised by large side inlets and slim headlights. Now, offer a masterclass in style, every time you make an entrance.

# Exterior features

## LED Headlights

The sleek and subtle design of the Audi LED Headlights add a touch of elegance to your Audi Q3 while lighting up the road ahead with daytime-like clarity.

## LED Rear Combination Lamps

Complete the attention-grabbing look of your Audi Q3 with striking LED Rear Combination Lamps that offer faster activation for prompt recognition by the driver behind.

## Panoramic Glass Roof

Electrically operated glass roof ensures a comfortable interior with abundant lighting and improved interior climate by means of efficient ventilation.

# Exterior features

## Comfort key with Gesture-controlled Tailgate

The convenience key offers easy access and engine start authorization control without having to actively operate the key. Gesture-controlled Tailgate allows comfortable opening of the luggage compartment flap with a simple foot movement.

## R18 Alloy Wheels

Aluminium Alloy Wheels enhance the Q3's dynamic profile with remarkable 45.72 cm (R18) 5-arm style alloy wheels

## High-gloss Styling Package

Amplify the sportiness of your Q3 with High-gloss Styling elements. Fascinating accents will emphasise your vehicle's athleticism and bring alive its striking design.

# Feel at home

You deserve a car that can keep up with you. And your ever-evolving needs. Designed to offer a greater sense of individuality, the Audi Q3 is a versatile car well-adapted to your modern lifestyle. It is powerful and multifaceted. Compact, yet full of hidden spaces. Discover a whole new world of more. More space. More comfort. More convenience.

# Interior features

## Multifunctioning steering wheel with shift paddles

Leather covered steering wheel offers a comfortable grip along with multifunction buttons for operating Audi radio, voice control system, and a slot for mobile phones.

## 2-zone Climate Control System

Regulate your air temperature, air flow rate and air distribution with separate pre-selectable control for driver and front passenger.

## Power Adjustable, Power Folding, Auto-Dimming Mirrors

The intelligent auto-dimming feature guards your eyes by reducing reflections of an approaching car's headlights at night. Automatic curb function fold down the mirrors when the car gets into reverse gear to give a better view of the curb to the driver.

# Interior features

## Electrically Adjustable Front Seats

Stay relaxed. Stay spontaneous on your travels. Set the position, angle, and the height of your seat with the touch of a button.

## 4 Way Lumbar Support for Front Seats

For truly comfortable long journeys, fine-tune your seat's lower back support and reduce the chances of any backache.

## Comfort Centre Armrest in Front

With the front center armrest, the driver and front passenger can sit particularly comfortably. It can be arranged in the longitudinal direction, the inclination can be adjusted with hinged storage compartment.

# Interior features

## Leather/Leatherette Combination Upholstery

The seat upholstery underlines Audi Q3's sophisticated outlook. With smooth Leather/Leatherette upholstery interiors, the Q3 draws you in and offers you comfort like you've never known.

## Rear seat plus with fore/aft adjustment

Luxury is having space at your disposal. Adjust the fore/aft position of the rear seat plus to accommodate more legroom with a split of 40:20:40 ratio. You can also adjust the inclination of your backrest.

## Ambient Lighting Package Plus

Anti-glare lighting using the energy saving LED technology ensures that the occupants can find their way around. A selection of contour lighting with 30 colors is available on front/rear doors, with courtesy lights on the undersides of the rear doors. Illuminated quattro logo in the instrument panel on the passenger side with lateral ambient lighting on the center console in front.

# Technology that can keep up with you

When mobility becomes a way of life, you need technology that is intuitive, practical, and exciting. The Audi Q3 enhances the quality of your travel by connecting you to your favourite entertainment apps and navigation, effortlessly.

# Technology and infotainment

## Audi Virtual Cockpit Plus

Innovative, adaptive and intuitive - Audi Virtual Cockpit Plus is an innovative, fully digital instrument cluster that flexibly displays relevant information on demand. The 31.24 cm display offers full HD quality. In addition to the “classic” design for the instrument display, you can choose the “dynamic” and “sport” display options. The display can be tailored to the driver’s requirements to show speed, engine speed, maps, radio and media information and plenty more.

## Audi Phone Box with Wireless Charging System

Audi Phone Box can couple with the vehicle antenna, which improves both the reception and call quality and also reduces the mobile phone radiation in the vehicle. In addition, the smartphone can be charged using wireless charging with the Qi standard. If your smartphone is still in the holder when you leave the vehicle, your Audi will remind you.

## Audi Sound System

The Audi sound system ensures a perfectly balanced sound with ten speakers including center speaker and subwoofer, 6-channel amplifier with a total output of 180 watts.

# Technology and infotainment

## Bluetooth Interface

Enjoy the convenience of hands-free calling and Bluetooth audio streaming while you are on the move.

## Audi Smartphone Interface

Bring the familiar smartphone interface to your vehicle to enjoy ease of navigation. The car's operating system allows you to access your phone when connected with a USB port.

# A new standard in safety

At Audi, we strive to make safety the centre of your journey. That's why, the Q3 comes equipped with a host of safety features including ABS, EBD, Parking aid plus, Rear view camera, 6 Airbags and much more.

# Safety features

## ISOFIX Child Seat Anchor and Top Tether for Outer Rear Seats

ISOFIX compatibility offers increased safety for child seats. The standard fitting point in the car removes the need to use the car's seat belts to secure the child seat. An additional top tether or support leg prevents the child seat from tilting or rotating on impact.

## Tyre Pressure Monitoring System

The system offers optical and acoustic warning in the event of pressure loss on one or more wheels in the instrument cluster.

# Safety features

## 6 Airbags

Protective full-size airbags unfold like a cushion in case of a collision.

## Standard Pedestrian Protection

Take the leap towards enhanced pedestrian safety with a thoughtful technology that reduces the impact of a collision on pedestrians.

# Exterior colour options

Pick the ideal shade for your Audi Q3 from our exclusive range of colours.

**Pulse Orange, Solid**

**Glacier White, Metallic**

**Chronos Grey, Metallic**
